| Certain clothing and accessory dyes (such as those used on denim jeans) may migrate to lighter colors. This phenomenon is increased by humidity and temperature and is irreversible. Mayer Fabrics will not assume responsibility for dye transfer caused by external contaminants. Please check compatibility when using this product in combination with painted or varnished surfaces. |                                             |
| <b>ADDITIONAL INFORMATION</b>                                                                                                                                                                                                                                                                                                                                                             |                                             |
| <b>Custom Capabilities:</b> All patterns can be custom colored. Minimum yardage applies.                                                                                                                                                                                                                                                                                                  |                                             |
| <b>Digital Swatch Card Color Matching:</b> Due to color variations on different monitors and color printers, actual swatch colors may vary slightly. Please request a memo sample from Mayer Fabrics to ensure proper color representation.                                                                                                                                               |                                             |
| <b>Specifications:</b> Specifications are correct at the time of printing. Current specifications are available on our website.                                                                                                                                                                                                                                                           |                                             |

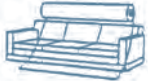

This fabric meets or exceeds these ACT performance guidelines.  
\*Certification Marks owned by ACT\*

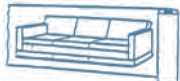

Water and Stain Repellent Finish

Railroaded: This feature allows reduction of seams and enables smoother furniture tailoring.

Fabric "up the roll" or "regular" position

Fabric "railroaded" or "top selvage" position

We recommend all railroaded patterns should be upholstered as shown on card.
