CARE AND CLEANING INFORMATION

C: Crypton® Cleaning – Crypton fabrics are available in various fiber types, and all Crypton fabrics can be cleaned with soap and water. The ability to use bleach as a cleaner without damaging the fabric is fiber- and dye-dependent. Cryptons with solution-dyed (acrylic, nylon, olefin) fibers and all polyester Crypton selections can be cleaned safely with bleach; a 10% bleach and 90% water solution is recommended and thorough rinsing is required. For the best cleaning solution, use CRYPTON UPHOLSTERY CLEANER, available from Mayer Fabrics.
