CARE AND CLEANING INFORMATION

C: Crypton® Cleaning – Crypton fabrics are available in various fiber types, and all Crypton fabrics can be cleaned with soap and water. The ability to use bleach as a cleaner without damaging the fabric is fiber- and dye-dependent. Cryptons with solution-dyed (acrylic, nylon, olefin) fibers and all polyester Crypton selections can be cleaned safely with bleach; a 10% bleach and 90% water solution is recommended and thorough rinsing is required. For the best cleaning solution, use **CRYPTON UPHOLSTERY CLEANER**, available from Mayer Fabrics.

BC: Bleach Cleanable – 1 part bleach, 9 parts water = 10% bleach, 90% water solution. Always rinse promptly with clean water after applying the bleach solution.
